What is a simulcast?

You'll feel like you're at the conference in person singing, worshipping and learning! A simulcast or streaming event is an event that is broadcast live simultaneously to worldwide locations through the internet. This annual event will be broadcast worldwide from Toledo, OH on a big screen at the First United Methodist Church. Experience the excitement of a global event without leaving your hometown area. It is projected that 700 churches and over 150,000 people will gather together from around the globe to be a part of this praise and worship event.

I am interested, but I'm not a member of a local church.

NO WORRIES! This event is open to women of ALL Faiths! We offer a special invitation to women without a church affiliation.

Do men attend too?

The primary audience will be women but we always encourage what Beth Moore calls a "few brave men" to share the day with us. Beth Moore's teaching may impact any individual – women or men. So go ahead and invite your favorite fellow to join you.

I want to come, but I cannot afford the \$20 fee.

What should I bring to the Simulcast?

We recommend bring your favorite Bible - either hard copy or electronic. You will receive a booklet for note taking so don't forget to bring a pen. We'll have water and some beverages available but it is ok to bring your favorite soda.

What will Beth Moore be speaking on at the simulcast?

Beth Moore has revealed her topic this year which is "CAPTIVATED – The Wonders of Christ on the Winding Road". Prior to each event and with considerable prayer time, she chooses a topic based on what the Holy Spirit has placed on her heart. We know it will be a powerful and relevant message designed to also speak to our hearts and spirits.

What is the dress code for the simulcast?

Dress is casual and comfortable, but we suggest bringing a sweater. Sometimes the room feels cool to some attendees.

What do I do if I have to cancel after I've already bought my ticket?

Tickets are nonrefundable. We encourage you to donate your ticket to someone who may not be able to afford a ticket or just give it to a friend.

I can't eat certain foods (gluten, etc.) so what food is provided?

We will have food options available for individuals with gluten or diabetic diet restrictions. We can't guarantee meeting all special diet requirements so you may want to bring a personal snack if this is a concern for you.

You may purchase tickets on line at: <http://www.groveumc.org>
Physical tickets are also available at First United Methodist Church Office,

.

Do I need to buy my ticket in advance or can I purchase a ticket at the door?

We recommend you purchase tickets in advance so we can accurately plan for food required for lunch and snacks. Also advance ticket sales help us to setup appropriate seating, purchase Simulcast booklets, and create special gift bags for each participant. A limited number of tickets will be sold at the door but we cannot guarantee the attendee will receive a Simulcast booklet or a gift bag.

Is child care available for the entire day?

Yes, FREE child care is available for children 6 months old to age 10. Plan to bring a lunch and snacks for your child. Dietary needs of children today makes it difficult to provide food for children. You must pre-register online so click the "Child Care" tab to register children.
